RE: Warnervale Airport (Restrictions) Act 1996

Thank you for the opportunity to make a submission on the Warnervale Airport Act.

My office has been contacted by a number of residents in the area surrounding this site who have indicated their support for the retention of the Warnervale Airport (Restrictions) Act 1996 and its role in preserving the amenity of the Wyong Shire.

I understand that the Central Coast Greens have provided a detailed submission on the matter, and I endorse their position. They outline in particular how the existing act relates to the regional goal plans. Any upgrade of the facility would be seriously inconsistent with higher level planning.

The Act in its current form has worked well to restrict development of the Warnervale Airport and to preserve and protect the amenity in the surrounding area. Given this, there seems little to be gained by making changes to the Act or indeed incorporating it into other legislation.

If you require further information or to discuss please don't hesitate to contact me.

Yours sincerely
