

# TREATY NOW

**To the Honourable the President and Members of the NSW Legislative Council, this petition of certain citizens of NSW notes that:**

- Sovereignty over the land that forms Australia has never been ceded.
- Dispossession from the land has had huge negative impacts on Aboriginal and Torres Strait Islander people, including the stolen generation, health, life expectancy, incarceration and structural disadvantage after centuries of discriminatory policies.
- It's 50 years since the 1967 Referendum, 25 years since the Mabo Decision and 20 years since the Bringing Them Home report, yet the injustice continues.
- It's now time to make history; establish a Makarrata Commission and sign a binding treaty.

**Your petitioners therefore request the House to:**

- Commit NSW to establishing a Makarrata Commission and a treaty with Aboriginal people
