

# TREATIES NOW

**To the Honourable the President and Members of the NSW Legislative Council, this petition of certain citizens of NSW notes that:**

- Sovereignty over the land that forms Australia has never been ceded.
- Dispossession from the land continues to harm Aboriginal and Torres Strait Islander people, including the stolen generation, health, life expectancy, incarceration and structural disadvantage after centuries of discriminatory policies.
- It's 50 years since the 1967 Referendum, 25 years since the Mabo Decision and 20 years since the Bringing Them Home report, yet the injustice continues.

**Your petitioners therefore request the House to:**

- Commit NSW to commencing consultation and a statutory process that will deliver treaties with First Nations people
